The Rotary Club of Old Town Temecula and Rotary Club of Murrieta invite you to join us in presenting the 2026 edition of the Murrieta Field of Honor®, the awe-inspiring, week-long display of American flags that has evolved into one of the region's premier events.

Your support for this community event helps fly more than 2,000 American flags during the Veterans Day week. These flags honor military veterans, active duty men and women who still serve, those who have given their lives for us, the first responders who protect us, and the many others who have made and continue to make our lives special.

Net proceeds fund Old Town Temecula Rotary's extensive list of local and international service projects, such as sending kids to leadership camps, planting trees in local community parks, distributing food to families in need, purchasing stockings and toys at Christmas time for families of those affected by cancer, and providing clean water wells in remote parts of the world—just to name a few! **Thank you for your support!**
